# Watch Out For PAPERCUTZ™

Welcome to the sensational, scoop-filled second GERONIMO STILTON REPORTER graphic novel, “It’s My Scoop,” the official comics adaptation of the second episode of Geronimo Stilton Season One, written by Tom Mason and Dan Danko, brought to you by Papercutz—those lovers of a free press dedicated to publishing great graphic novels for all ages. I’m Salicrup, *Jim Salicrup*, the nit-picky Editor-in-Chief and Geronimo’s notes-shredder (They don’t call us Papercutz for nothing!).

If you’re just joining us, allow me to explain that this is the latest GERONIMO STILTON graphic novel series from Papercutz. The first, simply called GERONIMO STILTON, focused on Geronimo’s adventures saving the future, by protecting the past—usually from the those pesky Pirate Cats. That hardcover series is being collected in paperback collections entitled GERONIMO STILTON 3 IN 1, three volumes at a time. This series, GERONIMO STILTON REPORTER, focuses on Geronimo’s adventures in the present, where’s he’s Editor-in-Chief of *The Rodent’s Gazette* and its star reporter. In our previous volume you met Geronimo’s nephew, Benjamin Stilton, Geronimo’s cousin, Trap Stilton, and Geronimo’s sister, Thea Stilton. In this volume we meet another character who will play an important role in this series: Sally Ratmousen, the publisher and star reporter of *The Daily Rat*, who also appears on TV with her exclusive “Sally Scoops.” And that brings us to “It’s MY Scoop!” ...

To get a Smurftastic idea of how newspapers started, I suggest checking out THE SMURFS #25 “The Smurf Reporter.” You’ll see a sped-up mini-history of how journalism, in some cases, has gotten far more concerned with gossip and “breaking news.” In “It’s MY Scoop!,” we see that even Geronimo gets sucked into having to compete with *The Daily Rat* on such stories as revealing the identity of the “Secret Celebrity.” The competition is so intense \*SPOILER ALERT\*, that Sally Ratmousen has her minions digging through Geronimo’s trash to steal scoops. Things get so bad that Trap even creates “Fake News” to distract Sally from the real story.

Journalism, like many other noble professions, can be corrupted, betraying its duty to report the truth to the people. Geronimo faces a tough task: maintaining the integrity of *The Rodent’s Gazette* as a newspaper that reports the truth, yet keeping it commercially competitive with the less-scrupulous *Daily Rat*.

And some people think comics are never about anything serious... But you know that’s not true, especially if you’ve been following recent Watch Out for Papercutz pages where we’ve been discussing the Philosophy of Geronimo Stilton as presented at [geronimostilton.com](http://geronimostilton.com). This Philosophy is the guidelines everyone follows in creating GERONIMO STILTON comics,

chapter books, and animated TV shows, and it also provides an interesting insight to Geronimo’s character and motivations. So without further ado, let’s get right to it:

## GERONIMO STILTON AND PEACE

In his adventures, Geronimo Stilton always highlights the horrors of war, enhancing the importance of peace. His books want to be reassuring: you have to remember that the future awaiting us is beautiful. His motto is: Instead of being against war, support peace!

Geronimo’s right! People tend to get emotional regarding strongly held beliefs, and tempers can flare easily. Violence is not a solution. While it’s easy to get mad, it’s a lot more challenging to keep calm and find a peaceful solution.

## GERONIMO AND COURAGE

Geronimo teaches that confronting your fears is the simplest and most effective way of overcoming them. The best experiences require more effort but make you grow, stimulating you to develop new capabilities. Real courage is not being without fear, but confronting it whilst being aware of your limits and trying to overcome them.

In certain situations, it’s perfectly normal to be afraid. And it’s never wise to take any unnecessary risks that may cause you or others harm. But, don’t ever confuse being nice and decent with weakness. It takes strength and courage to be good and kind. And speaking of which, we want to thank you for picking up this GERONIMO STILTON REPORTER graphic novel. We hope you enjoyed it and that you’ll also enjoy GERONIMO STILTON REPORTER #3 “Stop Acting Around,” previewed next and coming soon to booksellers and libraries everywhere. And don’t miss Geronimo’s animated adventures on Netflix and Amazon Prime!

Thanks again,

*Jim*

# FAKE NEWS AND STOLEN SCOOPS!

Geronimo Stilton, top reporter for *The Rodent's Gazette*, has a reputation of breaking the top news stories first to the citizens of New Mouse City. But lately, Sally Ratmoussen of *The Daily Rat* has been stealing Geronimo's scoops and passing them off as her own! Geronimo's convinced there must be a spy at *The Rodent's Gazette* and sets a trap for the rat! The true test is if Geronimo can keep the identity of a surprise celebrity guest to the city's 100 year celebration secret and away from Sally!
